## Hot Lunches

Each week during the school year, we like to offer three different hot lunch meals: Taco Bell, Pizza, and H&S lunch. In the past, we have had several parents request that we serve healthier lunch options. We are open to suggestions and now is your chance to submit some options we could offer this year. **Please keep in mind, our H&S meal, which is our healthiest lunch option, is run by parent volunteers. We must have parent volunteers for this type of meal to run properly.** Thank you for your input.

## Field Trips

Field trips are an exciting time for students get out of the classroom and learn in a non-traditional setting. Please give the teachers some suggestions as to where you would like to see the school try to go for field trips this coming year. Please also let us know if you would like to organize a field trip or service opportunity, even possibly to your workplace. Career places are always fun to visit or volunteer at, but most of the time we need someone who has a connection or works in a setting that allows field trips to occur. Thanks for you input and suggestions.
