

Dear Parents,

Valentine's Day is upon us and once again we are asking parents to play an important part in surprising your children. Last year we asked parents to write a special note to their child(ren) and it was such a big hit with the students we are planning on doing it again this year. This will be a surprise for them and will help them see God's love through their parents on Valentine's Day.

Here are the details:

We are sending home an envelope with a blank stationary page for parents to write a special note to each of their children. We then ask that you return it in the same envelope to the school, making sure that the envelope is sealed so we don't have students peeking before it's time. Please return the envelope either to the front office, to Mr. White in drop-off/pick-up line, or in your child's binder (grades K-5). Since Valentine's Day falls on Sunday this year, we will be handing these letters out first thing in the morning during Chapel on Friday, the 12<sup>th</sup>. Please plan to have your letters to the school by the end of the day on the Thursday, the 11<sup>th</sup>.

Thank you again for helping to make this Valentine's Day special for your child.
