

# Uniform and Dress Policy (from KAS Handbook)

In keeping with the teachings from 1 Corinthians 10:30, “. . .whatever you do, do all to the glory of God,” others should be able to perceive that KAS students worship a God of love and order rather than fads or extreme fashions in dress. In addition, what a child wears to school has a direct influence on behavior and learning activity. KAS students are expected to dress appropriately in a healthful, practical, and modest manner.

## Uniform Dress for K-2 Forest School

Polo Shirts are not required for Forest School students. Students in grades K-2 will need to purchase a special Forest School T-shirt for daily use. These shirts will need to be ordered during the online registration process. Pants should be quick dry, non-cargo pants or dark-washed, modest jeans in good condition. Shoes: rain boots to use outside and playground safe, flat, closed toe & closed heel shoes for inside.

This is basic information only. You may check our website [HERE](#) for a more detailed supply list for additional supplies needed for the Forest School (Grades K-2) program. This supply list will be updated yearly.
